11. HOLOCAUST MEMORIAL DAY 2024

SACRE Member to **note** the theme for Holocaust Memorial Day 2024: **Fragility of Freedom**

Freedom means different things to different people. What is clear is that in every genocide that has taken place, those who are targeted for persecution have had their freedom restricted and removed, before they themselves are murdered. This is often a subtle, slow process.

The Holocaust Memorial Day Trust were joined by survivors to launch the theme and discuss the [ten stages of genocide](#). You can watch the recorded version, [here](#).
